Combat Mission - Beyond Overlord (CRYENGINE) patch v1.1.0. The 1.04 patch was the Vista patch. This is a great game and the pinnacle of the combat mission x1 system, in fact I still think the AI is better in the x1. Aug 19, 2020 The 1.04 patch was the Vista patch. This is a great game and the pinnacle of the combat mission x1 system, in fact I still think the AI is better in the x1 system, but the game hasn't been supported in some time and I can't find any more information about the AI settings.
