It includes the software programs Sketch, InDesign, Dreamweaver, Illustrator, and Photoshop, as well as the Content Cloud, Device Cloud, Experience Cloud, and video conferencing tools available at www.adobe.com/creativecloud. The CC Monthly Subscription plan includes a single monthly subscription and provides access to apps, websites, and online storage for a single computer. Adobe Creative Cloud apps can be used for 30 days after their last purchase. Creative Cloud plans start at \$9.99/month for five apps, \$34.99/month for 15 apps, and \$74.99/month for 20 apps. You can also pay a one-time fee of \$4.99 for access to all apps in your plan. Creative Cloud also comes with unlimited access to Web fonts, and 1TB of storage in the Creative Cloud desktop storage service, including Creative Cloud Libraries, which provide access to full-resolution, editable files, assets, and metadata. The content and apps available in Creative Cloud are delivered through Adobe Content Cloud, which provides a direct, integrated user experience that can be accessed with any type of device. By using a Creative Cloud subscription, you gain access to work on your desktop computers, laptops, mobile devices, and any applications that use the Adobe Creative SDK on Windows, OS X, and mobile devices. Visit www.adobe.com/creativecloud. By creating a
