They don't break, they don't fall apart and they are super easy to clean up. They have sat for months unopened and never failed to add anything to the atmosphere at a party." "I love this product. It kept everyone buzzing for hours. It's the perfect party game, with a slight challenge of finding the mystery word and solving it. All that's left is to pop the finished product in the trash."Welcome to the APU website! APU is based on the fundamental principles of the arts and of the citizen. To protect and promote the arts it uses various networking tools and all available expertise for the arts community. Like the arts, APU is a relational activity. APU is composed of two main bodies: the Association for the Promotion of the Arts or APU, and the Cultural Heritage Center or CHC. APU comprises members who are artists, who are concerned with the promotion of the arts, or who perform or teach in the arts. Cultural Heritage Center or CHC The Cultural Heritage Center of Mantua develops projects and activities on the international level, concerning in particular the quality of the cultural and artistic heritage. For this it follows the guidelines of the UNESCO in general and of the Venice Charter in particular. The CHC is represented on the international level by the Directorate General for Cultural Heritage and by the ba244e880a
