What could be the reason? A: First off, there's no reason to be using ggsave. Just save the plot using png("path-to-png") ggplot(data=df1) + geom_point(aes(x = "time", y = "counts")) Posted by coltsindianapolis on February 23, 2013 – 12:31 pm The Indianapolis Colts today announced they have waived/injured tight end Jack Doyle, tight end Sean McGrath, defensive end David Parry and offensive tackle Will Yeatman.
