Read the story and have a laugh on the TOON PUR super hero, Ajay Devgn. Toonpur ka s.hero jaayegaPepun ke phasakte to pyaar hai. For her, we have to prepare a new Toonpur. I may be dead, but I can still beat the shit out of you. If he was a pathogen, it would be too easy for media to exploit how his deceased body lay his soul bare. This is a man with a thousand shining moments of being a man. He died doing what he loved, and what he will be remembered for. I'm so sorry that we gave up on him, but at least we found his trail this time. What the fuck happened to my post? What if it got deleted? What if it was hijacked and reblogged as a heartless diatribe against all things SJW? What if? "A pessimistic person sees the worst in everything, and an optimistic person sees the best in everything. The optimist grows while the pessimist shrinks. The optimist sees the way to go, while the pessimist sees the way not to." I realized too late that he's a good guy. I'm sorry I didn't take the time to realize it. I know I should have known better, especially after reading months of his posts. The thing is, I'm not sure I'd have stopped him if I'd known.
