.. when personal integrity is taken seriously, there are no easy answers, no easy solutions, and no quick fixes.... [T]he authors show that effective leadership requires personal authenticity.”--\*President's Council on Bioethics\* “\*Against the Madness of Crowds\* has been long awaited, and it's just as good as I hoped it would be.... [B]oth authors help readers understand the depth of our collective need to look after ourselves, and are finally able to understand the depths of the dehumanization and exploitation of ourselves by others. Their work is inspiring, and will serve to help any one reading it to examine their own complicity in these problems and take action to change them.”--\*Philosophy Now\* “Nodding in agreement with [a popular] assumption that many of us feel now that change is needed, this book offers ways to overcome difficulties and help people change in the right direction.... [P]rovides a much needed counter to the popular narrative that the positive dynamics that have been showing in so many people's lives are the effect of the 'progress' in many different fields.”--\*Youth Today\* “A valuable book. It must be read by anyone, and particularly by leaders who wish to be good role models for their followers. It provides a valuable resource to anyone trying to work out what it means to lead in today's world, and gives an insight into the actions that leaders can take to give leadership a positive effect on others.”--\*The International Business Times\* “[A] brilliant, sophisticated, and highly readable book... [the authors'] message that leadership requires an acceptance of responsibility for one's own leadership is important.”--\*Peace and Conflict Studies\* “[A] book full of important and relevant ideas, \*Against the Madness of Crowds\* will provide a timely stimulus to people in all walks of life to think about the kinds of behaviours and attitudes that are currently fashionable in society, as well as the reasons why we may be failing to make proper progress towards a more peaceful and socially just world.”--\*Troubleshoot\* “[A]n insightful and provocative book... [written for] those with an interest in leadership, both by those in senior positions and those working to make the world a better place.... [A]n engaging and thought
