Everything you ever wanted to create for your 3d scene is here. Some of the objects that you created in the previous chapter for your mobile phone can . Here you will learn how to create and animate objects in a 3D scene in real time, as if you were actually creating your mobile phone. Unlike most tutorials, in this tutorial each step is accompanied by a video (which makes it easier to follow), and you will also learn how to use the new 3D Scene tool (or 3D Scene) in the 3D Wizard.

This tool will allow you to create 3D objects from scratch up to
