In this video, we'll look at how to lock access and files in the Galaxy A51 using the built-in secure folder . I'll show you how to set up this folder in it. This is the most secret folder on your phone. It will protect your personal files or data. We will also make a backup of all files and install protection on the phone. If you don't know how to make a secure Samsung folder, then this video will help you. All ways to lock a Samsung phone without root rights and unlock an account. How to install Android 9 on Galaxy A3 -
