

IGN is the #1 place for all video game news, expert reviews and walkthroughs. Today we will talk about PES 2020. Let's take a look at all the pros and cons of this game in this topic. PES 2020 is a new game where you don't have to pay for all the new and old DLCs! What is it connected with? Previously, when a new part was released, we received more and more updates: stadiums, new faces, new leagues and clubs. Each time I had to pay money for a new package. If you can't afford to buy it all, then you just have to be content with what you have. What has changed now?
