Recently released video game Minecraft shows off a jaw-dropping landscape which seemingly has been made by artists, not programmers. YouTuber Prosilok Studios asked a total of 300+ Minecraft players to make a "fast and dirty landscape" in the game - and the results are stunning. Viewers did not expect to see Minecraft in this way, but early reactions are that the landscape is thought-out, sophisticated and clever. Prosilok Studios then asked players to go that extra mile and make a "realistic, detailed" environment instead of a fast-and-dirty landscape, and the results are fantastic. Today, on its YouTube channel, Prosilok Studios has released the results of this second "Fast and Dirty" Minecraft landscape competition. The first one is available here: You can see more videos like this one on our website: Follow us on Facebook: published:04 Jan 2015 views:1094723 Yup, it's the news we have all been waiting for. So the news this hour are THE ISRAELI ARMY IS DISBANDING ITS ARMY. Israel's army is disbanding in a few weeks and it is throwing out the main idea of being a modern army. It is the project of the nations you should be worried for, because they are getting stronger so we need to get rid of this ideas and be more alert and be prepared for anything. As for Israel, this is the last thing they

His Holiness the 14th Dalai Lama Tenzin Gyatso is the spiritual leader of the Tibetan people. He was born Lhamo Dhondrub on 6 July 1935, in a small village called Taktser in northeastern Tibet. Born to a peasant family, His Holiness was recognized at the age of two, in accordance with Tibetan tradition, as the reincarnation of his predecessor the 13th Dalai Lama, and thus an incarnation Avalokitesvara, the Buddha of Compassion. The Dalai Lamas are the manifestations of the Bodhisattva (Buddha) of Compassion, who chose to reincarnate to serve the people. Lhamo Dhondrub was, as Dalai Lama, renamed Jetsun Jamphel Ngawang Lobsang Yeshe Tenzin Gyatso - Holy Lord, Gentle Glory, Compassionate, Defender of the Faith, Ocean of Wisdom. Tibetans normally refer to His Holiness as Yeshe Norbu, the Wishfulfilling Gem or simply Kundun - The Presence. The application is based on the quotes of His Holiness Dalai Lama. Quotes are presented in two ways: an icon (this mode is analogous to a newspaper and continuously present on the screen) and a speech bubble (the quotes appears as sound and they can be closed, when coming from His Holiness Dalai Lama. The Application also enables you to create and share your own quotes. The application has three modes: "Now on" - where His Holiness speaks about his current activities, "Yesterday on" - where His Holiness says something about some events of his life and "Quotes" - where you can follow His Holiness' quotations from any of these modes. The application also has other features such as call to prayer and alarm, which can be displayed or muted. The opening of the application reveals an icon with the picture of His Holiness the 14th Dalai Lama. When you enter the portrait, there is a screen with an icon where His Holiness speaks. The following questions guide you through the story of His Holiness' life, as the application acts as the storyteller. At the end of the questions, there is an icon with the picture of His Holiness the 14th Dalai Lama and the question "What is the meaning of Life?" You choose your answer by tapping the icon. The answer is shown in a speech bubble, which can be closed. In order to hear His Holiness' spoken responses, you must have
