Dragon Ball Battle Of Gods English Subs

Get ready for a Dragon Ball Z game you will remember for a lifetime! Berus, God of Destruction, wants to destroy humanity! Only Goku, Earth's greatest hero... can stop him! Like other games in the series, Dragon Ball Z: Ultimate combines two game modes: classic and simplified. In classic mode you control Goku and his friends, in simplified mode you control only Goku. Compared to previous games in the series, the game has new features, such as a three-character game, a story mode, and others.

In Dragon Ball Z: Ultimate, you'll also meet new heroes like Ziggurat.
