This is an online tool to help with data extraction from XBOX 360 game discs, it has been designed to extract data from a variety of disc formats, such as Xbox 360 ISO, XBOX 360/XBOX 360 REX, XBOX 360/XBOX 360 REX Discs (including XBOX 360/XBOX 360 REX Discs that have been formatted using the XBOX 360 REX Disc Extraction Utility or the XBOX 360 REX Disc Extraction Utility (XBOX 360 REX Disc Extraction Utility has a different version to Xbox 360 ISO Extract). XBOX 360 ISO Extract Extracts files from an XBOX 360 ISO disc to another XBOX 360 ISO disc. This tool has been written to help gamers to easily back up their console software, while XBOX 360 ISO Extract has been designed to assist them to update the XBOX 360 console software on their modded console. This application is very easy to use, the first thing you need to do is to select the discs you wish to extract the data from. Once you have selected the ISO files you wish to extract from, just press the Extract button to start the extraction process. Once the extraction is complete, XBOX 360 ISO Extract creates a folder containing the data extracted from the ISO disc. The extracted data is located in a folder inside the ISO disc's root directory. Depending on the disc format you selected during the extraction process, the folder may contain files named DICE, SIF, SES, SID, SCS, SSS and PS3 ISO. All the files in the root directory of the extracted ISO disc are identical to the ones that can be found on the disc itself. As you can guess, this tool is capable of extracting all the files from Xbox 360 ISO discs that are compatible with the Xbox 360 and can also extract all the content from XBOX 360/XBOX 360 REX discs which are formatted in the same manner as Xbox 360 ISO discs. The extraction process supports CD, DVD and USB Xbox 360 disc formats. IMPORTANT NOTE: The Xbox 360 ISO Extract Tool will extract the content from all the Xbox 360 discs that are compatible with the XBOX 360 platform. To extract content from XBOX 360/XBOX 360 REX discs that are formatted in a different manner, you should use a separate application. The XBOX 360 REX Disc Extraction Utility, the Microsoft Xbox 360 REX Disc Extraction Utility, the XBOX 360 REX Disc Extraction Utility version 1.8.0 or the XBOX 360 REX Disc Extraction Utility version 2.0.0 are designed to extract the content from XBOX 360 REX discs that are formatted in a different manner than the ones supported by the XBOX 360 ISO Extract tool. These disc formats are normally found on hacked or modded XBOX 360 consoles and as a result they are incompatible with the XBOX 360
