Use the full-body morphs to adjust the shape and proportions of your figure with a single click, or use the body-specific morphs to adjust breast size, or the hair, eyes, and mouth. You can easily load and unload morphs with the easy to use drag and drop interface and learn the new morphs by using both the morph reference icons and the animated morphs. All Morphs have been grouped in one convenient place for easy access. All Genesis 3 Male Face and Body Morph Resource Kit morphs can be found in the following details: Genesis 3 Female Body Morphs Introduction Text: My daughter has a project with her school that requires her to create an art piece based on the character from Avatar. This is what I've come up with. I created all the morphs for her characters with my own make up and expressions so she could take what she has learned and transform her avatars into real people. Hope you like it. Interface Text: This is what the interface looks like. The character icon at the top will automatically change to the character model being used by the user. The bottom section is where the morphs are located. You can click

DAZ3D - Genesis 3 Body Morphs Free Download
