Twitter: Youtube: The Icon Design Team is constantly working for the best of your software and your satisfaction. With this feature, we aim to provide you with some quality icons that might not be included in any of our previous icon packs. Our team is willing to always work for

you and is always interested in your ideas and suggestions. It is our goal to create a quality, new icon set for your daily use. We have decided to

TV Series - Icon Pack 29

Icon Pack 29 is a nicely designed collection that brings you some fresh icon replacements for your regular files and folders, as well as for dock applications. The icons included in the set come in two distinct formats,

namely ICO and PNG. The former is the native format supported by Windows for any files and folder, while the latter is used mainly by dock programs that will handle this particular file type for the icons of the applications they host. Wednesday, December 16, 2016 About Icons: Windows includes a number of default icons that you can use in your applications and other programs. However, you can also include more with the Icon Pack collection, most notably in the form of icons used for folders and files, system applications and other icons you might be searching for. TV Series - Icon Pack 27 Description: Icon Pack 27 is a nicely designed collection that brings you some fresh icon replacements for your regular files and folders, as well as for dock applications. The icons included in the set come in two distinct formats,

namely ICO and PNG. The former is the native format supported by Windows for any files and folder, while the latter is used mainly by dock programs that will handle this particular file type for the icons of the applications they host. Tuesday, December 15, 2016 About Icons: Windows includes a number of default icons that you can use in your applications and other programs. However, you can also include more with the Icon Pack collection, most notably in the form of icons used for folders and files, system applications and other icons you might be searching for. TV Series - Icon Pack 26 Description: Icon Pack 26 is a nicely designed collection that brings you some fresh icon replacements for your regular files and folders, as well as for dock applications. The icons included in the set come in two distinct formats, namely ICO and PNG. The former is the native format supported by Windows for any files and folder, while the latter is used mainly by dock programs that will handle this particular file type for the icons of the applications they host.
