After the devastating destruction of the original Mad Max movie in 1979 and the subsequent original television series, the series has been resurrected by Neill Blomkamp for a reboot. The producers have stated that the new film will have several nods to its iconic predecessor, but will also feature a different set of characters and a newer setting. When Atomic Robo is in action, he can only be stopped by a full load of ammunition. Atomic Robo is a secondary on-

screen narrator for the SyFy channel's movies, commenting and giving back-stories for the action scenes. American William Kennedy grew up in an Irish emigrant family, and began his career in radio journalism in Dublin in the 1920s. He later moved to New York and became a professional playwright, creating popular off-Broadway dramas 570a42141b
