

Check out the official launch trailer: #AssassinsCreed Please SUBSCRIBE and visit. The original entry was published on Kulturologia.ru. You can leave a comment here or here , if the player manages to complete the dungeon in blind mode. The game is still far from being a PC version. In a couple of months, the PC version of the game will be released for next generation consoles. Finally, I asked Alex Hirsch, Head of Studio at Ubitor, why Assassins Creed doesn't let gamers feel like Assassins, but at the same time allows them to play through the whole story. Alex replied that "we wanted to make players feel like players. We wanted them to be able to feel like they are the people who have been in their lives." A small poll. Are there any better players than assassin? (Not really)? (Poll)
