(Alan Goodman 07-03-2011) 0-23-2012, Version 3.0 Version 4.0 and above will use a GPL notice (but not the above copyright text disclaimer) on all releases. (Alan Goodman 07-03-2011) Use as a learning tool: for serious communication on the PSK31 mode, WinPSK was never intended for use with real signals, but was designed for the learning and example purposes of the amateur radio community. I have no interest in spending time on amateur radio. To the extent that this software is used for such purposes, I have no interest in the results it generates. An example of a conventional land mobile radio communication system is

What's New In WinPSK?

Description of WinPSK WinPSK allows the user to utilize the PSK31 communications standard. WinPSK translates from PSK31 to PSK, forwards PSK to another station, or performs PSK31 decoding. The WinPSK console window has two parts: command window and text editor window. The console can be split in two windows as depicted in the figure. WinPSK with new LUTs The PSK31 LUT allows WinPSK to perform PSK31 decoding. Release History Prior versions Windows 2000 and Windows XP support See also PSK31 External links WinPSK.De WinPSK Description, online manual Category:Communications in PolandWestern Jilin University The Western Jilin University (WJU;) is a new public university of tertiary education in Changchun, Jilin, China, established in September 2012. It is located in the P.R. China Trade Centre in Jilin University Business District. Campuses Main Campus is a tower-shaped campus in the western part of Changchun, with a total construction area of around including of green space. Zhenze Campus is a former national rank No.1 key university and located in the Binhai New Area of Changchun. Academics WJU was planned to become a top-tier science-oriented urban university of P.R. China by 2012. The university has an annual budget of RMB 7.5 billion (2012) and an initial enrollment of nearly 25,000 undergraduate students and 5,000 graduate students. It enrolls students from 15 cities/towns in the province, including Changchun, Dandong, Daqing, Jilin City, Liaoyang, Changbai Shan, Ninglin, Yanbian, Jixi, Changchun, Changchun City, Daqing, Huanghua City, Songyuan City, Shenyang and Shanghai. WJU has a strong emphasis on innovation and entrepreneurship.
