Is it possible to have a formula in excel for that? A: You could use this IF/THEN function, it seems you are just checking for a number, so it's simple, for text use below formula. You can also check by column, by looping on each cell, or use a named range for test cell, like: `"=IF(A1""",1,0)":`
`=IF(IF(OR(ISNUMBER(A1),ISBLANK(A1)),""),"TRUE")=`

Darren Head, the husband of Chanika Head, is charged with murder in the November 2014 shooting that left the unborn baby dead. Head also is charged with aggravated assault, unlawful restraint and false imprisonment. Head's attorneys say he will plead guilty in exchange for a prison sentence of 40 years, but Chanika Head's family members say they would like to see the murder charge dismissed. Get Breaking News Delivered to Your Inbox Police say Head was armed with a semi-automatic pistol at the time of the shooting, which they say was an act of "felony murder." Chanika Head was seven months pregnant at the time of the shooting. Prosecutors allege the two got into a fight over the pregnancy and Head then dragged Chanika to her car and shot her in the abdomen. He then allegedly tried to make it look like she

shot herself. Head's defense attorneys said during a hearing in June that Chanika Head "intentionally" caused her own death by choosing to remain with him. The felony murder charge could result in a 20-year sentence for an adult and life in prison for a minor, although a judge could impose a lesser punishment. While the case is pending, Head
