Download subtitles for the movie "Warrior 2011". The youngest son of an alcoholic ex-boxer returns home, where his father trains him for medley competition. After that, he decides to challenge his strongest opponent and defeat him. Warrior is a drama based on the novel of the same name by Don Winslow. After watching the movie, I have mixed feelings. On the one hand, I really liked the work of the actors, especially the son, Colin Farrell. But, in my opinion, the film turned out to be long, boring and not dynamic. But, this is my subjective opinion, and most viewers liked the film.
