System Requirements:

As this game is still in development I can only recommend the game to those who have played the previous Broken Sword games and are willing to take a risk on a new Broken Sword game. The game does not use any fancy hardware and the graphics are amazing for the time of the game. The game is compatible with Windows 7, 8 and 10, as well as Windows XP. Story: Alycia Chase is the new sheriff of an idyllic town called Oakmoor. Everything is well in the town until one morning when the whole village is brutally murdered
