If you don't know exactly when to collect the stars, just wait, and then click "Find Stars". When you have collected the required number of stars, you will see a message saying that you have collected the required number of stars. Once you have collected all the stars, a new skill will appear in the game that you can use in battle. If you are attacked by an opponent and you fail to defeat him, you will take damage and lose your stars. Keep this in mind when collecting stars
