
TTS Sketch Maker V1.0 Portable.rar HOT!

[Download](#)

This is a whiteboard software that includes high-quality voices (male and female voices are included). With this application, you can use various tools to increase or decrease the pitch of your voice, as well as change the volume. The whiteboard app includes:

- The ability to record and play back lessons.
- The ability to record and play back your voice.
- The ability to change the pitch and volume of your voice.
- Ability to record from a microphone.
- Ability to record from a loudspeaker or headphones.
- Ability to turn your voice on or off.
