

14 Apr 2011 - When I open Cubase, I get an error message: License error. No valid license found for: HALion Sonic Factory Program Presets 01 HALion Sonic ... And so on. How do I fix this? A: To fix the error you need to start Cubase. When starting up, select Tools -> Settings -> Preferences -> Activate. If you are using Cubase 5 or 6 and you have the HALion Sonic Factory component installed, click Install to Newly Added VST. In this case you need to specify the path to the HALion Sonic Factory Program Presets and select the activation mode H
