## Trouvay Cauvin Piping Equipment Book

---

Everything you ever wanted to know about piping materials in one easy-to-read e-book! No need to carry around a heavy, bulky book - all you need is all you need. pdf file with information on how and from what each type of pipe is made. The e-book contains comprehensive information about all types of pipes that are used to transport liquid, gas, bulk materials, etc. The book describes all the features of pipes, from their varieties to transportation conditions. In the appendix you will find a list of all types, as well as many drawings, from which you can easily determine which pipes you need.
