- Is included in the package as well as a website. Tested on: Windows XP 32bits Vista 32bits Windows 7 32bits Windows 8 32bits Windows 10 32bits • Installation of the application does not require installation of any other program. Disclaimer The digital package is guaranteed to be free from errors or defects that may affect the product. Moreover, should you have found this product useful, don't hesitate to email me to share your great experience with it. Feel free to contact me at support@mkllabs.com Raising those killers from the dead after they die is evil. Now, for those people who lost a kid to a madman, all you can do is feel sorry for them. But for the liars, cheats, thieves, gun-loving, mean-spirited, all-around bad seeds, we will build a wall. A wall made out of concrete and rebar. This wall will stretch from sea to shining sea. And it will be paid for by the blood and tears of the children, and future ones, of the bad seeds who were planning this genocide all along. I hope you were planning to leave for the summer, because now there are just 13 days to go till you can crawl through that wall and be free from the consequences of your own actions. Of course
