The world's most popular sports video game is back with FIFA 22, offering the most authentic, balanced and exciting gameplay experience. FIFA 22 has been completely rebuilt from the ground up and features fundamental gameplay changes and a new season of innovation across every mode, from the classic Kick Off on to Ultimate Team. What's New? Ultimate Team The most popular mode in FIFA returns with a new redesigned and improved user interface that makes it even more enjoyable to join The Community and develop your own players. Now you'll be able to see exactly which players you have unlocked, all the stats and how much you are spending, making it easier than ever

to plan your strategy. Video Assistant Ref (VAR) Take control of the video assistant referee in a revamped Matchday Manager mode. Now you'll have the ability to make real-time decisions, including sending offs and red cards and to streamline your preparation for any team, pitch and country in the same way that FIFA UCL Manager does. VAR is not available in Online or MyClub modes and will need to be turned on within the game. Enjoy more football than ever before in FIFA 22 with new gameplay enhancements including lower action times, improved collisions, player control and anticipation, all designed to allow you to push the play and make the most of every opportunity. Dynamic Tactical Control Level up your team with dynamic tactical

control, now the most responsive and reactive in FIFA history. Starting with key tactical adjustments such as substitutions and player positioning, build from the basics to devise the perfect game plan. Understand the tactics of your opponent and react fast in order to make the most of the game's numerous opportunities. Rotation-powered Skill Moves Discover a new generation of Skill Moves with a number of new mechanics that bring you even closer to the game's physics. The new Point-to-Point movements will let you manipulate the ball in a wide variety of new ways, while the new Booster Shot and Interception Skills both allow you to score with intent. New Crazy Moves will also be more accessible and rewarding, helping you take the

game to the next level in just three touches. New Goals and More Goals FIFA 22 introduces a brand new campaign, game modes and the most complete roster of celebrations and goals ever in a FIFA game. New system icon, player animations, and more than 60 new and improved celebrations have been added to the game. These include new celebrations for free kicks,
