The feature will also apply to all 11 men's National Teams. This includes the first time the National Team teams will be fully customised to reflect each country. Each nation's kits will be unique and individually designed. National teams will be able to select from one of six unique presentation options for their kits: Authentic, Home, Club, Away, Simple or Block. The Simulacrum goal will also feature new Authentic pitches and pristine players. This year's pitch shapes, dimensions and surfaces are nearly identical to the real-world pitch used in the FIFA World Cup™, as well as the dirt used in regular-season matches. This year players will use the very same shoes they use on the pitch. Last year's FIFA Ultimate Team game mode will be expanded with new modes and an increased roster size. Fans will also be able to see through the eyes of their players in new backstage features. FIFA 22 will include a new mode, "My Player," which will allow gamers to create and customize their player using their choice of avatar, kit and boots. This will also include an update to the FIFA "Like" feature, which, for the first time, will allow players to "Like" a player or kit on Facebook or Instagram. FIFA 22 also includes the ability for players to compete against friends by creating personalised FUT Rivals groups in the new "Global Cups" mode. "FIFA 22 is the deepest football game in the series with more depth than any other football game on console," commented brand director at EA SPORTS FIFA, Michel Villeneuve. "It also allows the fans to experience football in more ways than ever before with an unprecedented level of customization and new goal celebrations." Previous announcements: MOSCOW, September 7, 2017 - (NASDAQ:ERTS) - Electronic Arts Inc. ("EA") (NASDAQ:ERTS) announced today that FIFA® 22, the official videogame of the FIFA Ultimate Team™ global community, will be available on September 26, 2017, for Xbox One and the PC. FIFA® 22 introduces new features, such as new stadiums, National Teams, goal celebrations and more, to offer fans an even deeper and more immersive experience. What's new:

- **HyperMotion Technology** - Train and unlock FIFA Gamer features for an authentic, arcade-like experience.
- **Experience the story of the Rivalry** in FIFA 22. Every match has a set of possible outcomes based on player stars and team tactics.
- **Shot Sticks** - More varied and visually engaging shots, including curling and panoramic shots, and put you in more control of the action.
- **In-Play Bonuses** - Get bonuses and rewards in a way that reflects a dynamic and fast-paced match. Whether it's scoring a valuable goal in a particular situation, mastering your defender with a dribble, completing a set of mission objectives - or avoidable fouls - you'll always have something to work for. Welcome to the Fast & Furious of the soccer world.
- **Goal Line Technology** - Detect goal lines and show the consequences of your actions on the ball as it approaches.
- **Check your gamepad, PS Move, DualShock 4, and Touch pad** before a game to ensure everything is connected.
- **New Formation and Attacking Systems** - You'll constantly need to adapt to the flow of a game and use your players wisely to open up more space against your opponent. You'll be required to set up plays that are difficult for your opponents to read and even at times use one of your opponent's weaknesses against them.
- **New Pass Build-Up** - An array of new pass variations will help you hit the correct pass even more often.
- **New Midfield Systems** - Poor positioning can harm your chances of winning - and possession can allude to the end goal. You'll need to size up your opponents and quickly adapt to changes, use your ability to finesse the ball to secure the best result.
- **New Roles** - Choose the best real-world role for each player in your team to unlock the most authentic and rewarding game experience.
- **Improved AI Decision-Making** - Real-world-based tactical intelligence is now applied much more to your opponents.
- **New Player Education** - Gain more information on the player experience, learn about player profiles, share new moves and form a personal philosophy on player education.
- **New Player Movements** - Positioning tactically and helping your team fight for the ball in every match makes every

More than 25 million players around the world play FIFA. Whether you're on PC, mobile or PlayStation 4, we've built a game that's fun, deep and dynamic, not for the fainthearted. What is FIFA Ultimate Team™? FIFA Ultimate Team™ is a game extension that includes gameplay enhancements, features, and content beyond that of the base game. It allows you to build and manage your very own virtual team of footballers, with an in-game store for purchase. How do I buy in-game items? In-game items can be purchased in FIFA Ultimate Team and on PS4™ system through PlayStation Network. How do I play the game? You'll be competing in games that you'll play on the pitch, as well as completing various tasks, earning rewards and progressing through the seasons. How do I play with friends? FIFA Ultimate Team™ with friends offers unique ways to play the game with friends, including online friendlies, seasons where you'll compete with your friends as a club, and cross-platform leaderboards so you can compare yourself and your friends' FUT progress to date. My game won't download. What do I do? You may need to wait a while for the data to load. If the game is stuck at a loading screen and won't start or you've been kicked from the game, try restarting your device. If the game still won't start, try visiting the FIFA Ultimate Team web site to delete the game. How can I save progress? FIFA Ultimate Team players can keep their progress on all platforms by being signed in to the same EA Account. What if I buy the game and then decide not to play? Your game will still be playable even if you decide to cancel your subscription through PlayStation Network or permanently uninstall the game. What if I bought FIFA on PC and want to play on PS4? You'll be able to play your FIFA game on both the PC and PS4. What if I have an EA Access Subscription? EA Access gives players access to a variety of EA titles, ranging from the FIFA game series to The Sims™ game and Need for Speed™. Any game included in the monthly subscription program will work with all versions of
