Just upgraded to the GYI GX-1 Pro Upgrade. Apart from the obvious upgrade, I also had to do some tweaking the car. Â· Â· Â· Â· Â· Â· I have a 2002 GYI GX-1 pro. Reviews Limitations Limitations in Windows Vista and later operating systems, Windows 2000 or above operating systems will see the full size of 2.5GB. If you want to gain these files, please read the procedures to a different drive and then move these files to your main Windows drive. You can also download a virtual hard drive and then download these files into the virtual hard drive. Some of these files can also be downloaded into MS Office format or Word format (allowing for word to open in the Word format), but the file extension will not change.Services Latest news Nursing degree course to start in April THE first Ofqual-accredited nurse degree course in England will be starting its first year of study in April 2011. The four-year course, which offers a BNip degree, will run at the University of Liverpool. It is the first of four nurse degree courses which will run in Liverpool. The university, which currently runs three other nursing degree courses, will provide specialised training for nurses, midwives and nursing students, to meet the challenges of increased demand for nurses in the NHS. The degree course will include a supervised clinical placement, a
