We are excited to reveal today that “HyperMotion” technology is part of our FIFA 22 gameplay demo. The demo will be available to play on selected platforms during the FIFA PS4 Experience pop-up. We hope you like the demo – and it includes more than just “HyperMotion” technology. We also welcome your feedback on what you think of the demo – and let us know your thoughts on what you’d like to see in FIFA 22. To say thank you for your excitement around our upcoming game, we want to give all PlayStation fans the chance to play FIFA 22’s all-new demo this fall. That’s why we are inviting you to the FIFA PS4 Experience at PlayStation Experience, starting at 5:30pm PT on September 20 in Anaheim, and running until September 21 at 6pm PT. During this gaming event, we’ll be revealing a lot more about FIFA 22 gameplay, and giving you the chance to try this FIFA version for yourself, before it hits PlayStation 4 on September 28 in the UK, and September 25 in the US. We hope to see you at PlayStation Experience – and remember to register now if you’d like to come. For more information on PlayStation Experience, visit PlayStation.com/Experience.

Q: bootstrap dropdown change without.collapse I got the problem that I dont want the bootstrap collapse to fire for the first dropdown. I tried setting the dropdown to display:none in its css, but it has to be set to visible for it to work. Is there an alternative? A: Try this: Select the submenu (which should be hidden) and add the class dropdown-toggle: Mein Name Also update your html:

FIFA is the largest sports franchise in the world, and by far the most popular football (aka soccer) video game franchise. Our goal is to create a deep and expansive football experience, and the game FIFA world is comprised of four leagues, more than 100 licensed clubs, and over 4,000 officially licensed players from over 50 countries, all designed to bring the energy of the world's game to your living room. FIFA World Cup™ Play the FIFA World Cup™ - the ultimate soccer competition, and EA SPORTS FIFA 22 is the official video game of the FIFA World Cup™, proudly presented by Pepsi and the Coca-Cola Company. FIFA World Cup™ Legends Take your ultimate squad to the FIFA World Cup™ - and with more than 140 historical players, including Pele, Ronaldo, Roberto Carlos and Zidane on

FIFA 20, FIFA 22 also features Legends and the new Team of Legends, where real-world heroes compete against the best footballers of all time. International Football Series (IEAS) You've heard that the best soccer (aka football) players in the world are set to descend on Brazil for the FIFA World Cup™ - but the European and Asian versions of the World Cup™ also feature in FIFA 22. And if you prefer the quieter, more traditional style of football, then the highly-acclaimed International Football Series™ also returns for FIFA 22. FIFA Ultimate Team™ (FUT) We're giving you more ways to build your Ultimate Team, and for the first time, you can further customize your squad with your Ultimate Club jersey. And with the Ultimate Team Leaderboard, you'll want to keep tabs on your progress as you compete for more than £1 million in extra rewards. FIFA Ultimate Team™ Pro-Am (FUT Pro-Am) Now you'll be able to compete head-to-head with your friends in a new FUT Pro-Am format. Presentation FIFA World Cup™ was the first-ever video game to grace the cover of Sports Illustrated, and its success spurred the creation of Electronic Arts Sports™. FIFA is known as the pinnacle of sports video games, inspiring millions to become involved in the real game. The "World Game" will continue to attract new fans in the millions
