History has proven that the United States is the greatest enemy of radical Islamists and their Hezbollah allies. The threat is not from foreign nationals in enemy soil, but from domestic radical Islamists in the United States. The U.S. government has a superb track record in dealing with potential threats and dangers to the security of the American people. It is in our country's best interests to fund and fund and fund intensive private research on the radical Islamists' Islamic supremacist agenda. Let's open the door to security experts on the Islamist agenda, who have a proven track record of using behavioral science, political propaganda, socio-economic engineering, and other tactics to subvert, brainwash, and control the minds of Americans, and the populations of other nations. This is an urgent plea to the U.S. House of Representatives and to the U.S. Senate. We the Undersigned respectfully request that the Congress pass legislation specifically stating that the U.S. government will fund and fund and fund private research into radical Islamism. We are especially concerned with funding and funding and funding on the Islamic supremacist agenda, and the co-opting of the American academic institutions (University of California at Berkeley, UCLA, UC-Santa Barbara, UC-Berkeley, University of 648931e174
