New type of Noble Quran with standard Arabic Mushaf Uthmani 15 lines/pageA .Storytelling Monday: Famous Children and Humility It's storytelling Monday here at Cake Wrecks. Because apparently a huge percentage of our visitors aren't capable of conversing in an intelligible manner, I will be making some special exception and writing an actual story, a story about a child. Although we've all seen some horrendous children's stories before, this one is actually based on a true story - of a real boy named Charles Wallace, who told the incredible story of Humility, the Great Turtle in The Midwich Cuckoos. Humility is a turtle, a big, fat, green, all-seeing turtle, who is very much aware of her surroundings. When a man plows her fields, Humility has to sit on a post and wait while he digs a hole and puts her in. When a farmer feeds Humility a single peanut, she can't eat it. But the farmer isn't impressed by her size, and goes about his business, knowing that she can't possibly resist the temptation. When Humility gets thirsty, she sits on the edge of a pond and drinks the water. When Humility gets angry, she covers up the road. One day, Humility's female friend delivers a son to Humility. The mother explains that it's not her child, or any other child, and that the little boy is her child. Humility accepts the boy and provides him with a home and everything that a real,
