Wednesday, June 24, 2018 This is a list of characters in the manga and anime series *Hungry! Go! Go!*. Madoka Madoka is the main protagonist of the series. Her full name is Yōjirō Hatogaya. She was born in Yokosuka and is considered a bright, independent and kind child; she comes from a rich family and owns a horse, Tsubame. Madoka dropped out of high school, due to her father's death. In order to support her family, she has to work at a small family bakery in Yokosuka at the age of 19. She is cared for by her childhood

friend, Homura Akemi; however, Homura has a strong obsession with Madoka. To help out her family, she was hired by the Yokosuka Lighthouse Academy as a researcher. Madoka is also known to be musically talented. She has a dream of being an adult singer and is close friends with Rika Suzumura; however, it is revealed that Madoka is actually a homoerotic one at her junior high school, and she later realizes this herself. Madoka eventually begins to form an attachment to the other three Lunarians who happen to be under her care, who are later revealed to be Luminescences that were created by Homura. It is for this reason that Madoka reaches her senses of self, and ultimately destroys the Homura, and at the same time, fulfills her wish of becoming a lady singer, as the sun and the moon are placed back in alignment, which was the Lunarians' wish. Homura Homura Akemi is a childhood friend of Madoka Hino, who

first met her in the Uragan Synchronous Academy. Homura is later employed as a researcher at the Yokosuka Lighthouse Academy after dropping out of school. She later becomes Madoka's second cousin. Homura is a very strong individual; many people such as Kizuna Ai, Shutao, Ami and Madoka call her by her given name rather than by her title, Homura Akemi. Homura possesses a white cat named Rekka, who she has adopted since childhood. Homura is actually an artist of black magic. In the manga series, it is hinted that she has had to deal with her parents' death, as her mother died when she was young.
