Customer Reviews louis l. robert (ikilov) - juin 21, 2013 Bon mots! IÃ m a little stunned to discover that an app like this was even possible. IÃ ve used the power of a (Windows) machine since the time it was introduced and even played a lil over my Commodore 64 back in the day. IÃ m not one of those people who sits down with a pure analog setup. But thereÃ s a difference between using a hybrid compressor like the one on this program and something like the Empirical Audio ESS phase processor. This program gives a bit more flexibility over some parameters (as in the Empirical). IÃ d suggest trying this program before you start investing in a hardware compressor. Some of the parameters arenÃ t even adjustable. Jose C.
