FIFA 21 launched on September 15 and is the ultimate football experience for gamers and real football fans alike. The game sets a new benchmark for football games with new, immersive match modes including the all-new Matchday and new Player AI, while introducing new features that improve your experience and give you more power in everyday life. Play smarter, by creating and managing your own attacking line-up for free-kick situations, create bespoke formations and tactics to gain an edge and use your favourite game modes to compete against players of all abilities in a variety of game modes including Career, Friendly, Tournament, Multiplayer and Online Seasons. A new Career Mode offers a deeper experience on and off the pitch that lets you manage your football club, play through 3 games in Career Mode, take an individual development path, follow a mentor, play friendlies, view match stats and more. In Career, you can create your ideal kit, style and team from 3 different kits, 5 different styles and 27 different team kits. In the new Invite Players Mode, you can play alongside up to 128 FUT Partners including FUT Stars and FUT Players. There's also an all-new Challenge Mode that lets you compete against your friends in football-themed tournaments. In FIFA 21, we have changed the way footballers are created from the very first youth team to the national team, adding a new historical accuracy with the ability to customise your own club and play in over 180 leagues. We have also added a variety of training drills that help you quickly improve your individual and team skills such as: Acceleration, Agility, Speed, Stamina, Creativity, Decisions, Quickness, Stamina, Strength, Technique, Small Sized and Big Sized Creativity. During gameplay, we have also improved AI behaviours such as: Defensive playing, Defensive positioning, Goalkeeping, Interceptions, Man-to-Man Defending, Routes, Short Dribble Running, Timing and Taking Players on. In the new Ultimate Team you can customise your Ultimate Team Squad (UTS) squad with real life players, and then take on a FIFA Ultimate Team Team and take on your friends in unique Career Seasons. FIFA 21 is also faster, more intuitive and more reactive than ever before, so everything feels more natural. New controls and motion controls provide a refined control and sprinting motion that gives you complete control. We have redefined the Jump shot, and worked together with the players to make FIFA the only football game in
